"Untold Agony from Catarach."

Prof. W. H. Sawyer, the famous mesmerist, of Ithaca, N.Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me no relief, so I consulted a specialist, who said my case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could scarcely move a whisper. One morning I awoke and discovered that I had almost entirely lost my voice. By the use of Dr. Sage's Catarach Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. REEDSON, 2002 Pine Street, St. Louis, Mo., writes: "I was a constant sufferer from catarrh for two years. At times I could hardly breathe, and was constantly hawking and spitting, and for a last eight months could not breathe through the nostril. Then I met Dr. Sage, of Buffalo, N.Y. Last fall I was advised to try Dr. Sage's Catarach Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to try it a few trials to experience astounding results and a permanent cure."

A complete Treatise on Catarrh, giving valuable hints as to clothing, diet and other matters of importance, will be mailed, post-paid to any address, on receipt of a two-cent postage stamp.
